Madison Audubon Society at: (608) 255-2473.

Featured Speaker

Bill Volkert knows everything there is to know about Horicon Marsh. Since 1984 he has been Wisconsin DNR's wildlife educator and naturalist at this 32,000-acre "Wetland of International Importance" and "Globally Important Bird Area." Over the past 30 years he has been involved in studies and field research on avian ecology, plant ecology and glacial geology.
